SUMMARY

I've always sought out opportunities and challenges that are meaningful to me. As a web developer, I intend to use my obsessive attention to detail, my unequivocal love for making things, and my mission-driven work ethic to literally change the world. That's why I'm excited make a big impact at a high growth company.

AWARDS

ArtisanAL | Startup Live Tirana 5

06/2016

At the Startup Live Tirana 5 that was held in Tirana June 2016, me and my team came up with a business idea that was not only to show and present this idea to the audience but also to help the Albanian Artisans with a web shopping site where they could merchandise and sell their products and show the world a piece from our culture.
